*****PRESSURE WAIVER AGREEMENT*****

Pursuant to the applicable provisions of Rule 5.8 of the WV Public Service Commission's Rules and Regulations for the Government of Water Utilities, I hereby acknowledge that I, _____, have been duly and fully informed that, due to elevation or other relevant factors, I may not receive water pressure within Commission required levels as set forth in said Commission rule.

Because of my desire for water service irrespective of these problems, I nevertheless want public water service under whatever reasonable conditions exist now or in the future concerning said lack of adequate pressure, and I, hereby waive and release the District from any and all responsibility in its inability to meet Commission standards concerning said water pressure standards.

In consideration of this waiver, the District hereby agrees to supply water to that certain lot or parcel in Harrison County, West Virginia at whatever pressure it may have for the customer's purposes not subject to any supply or pressure regulations that may be listed in the Public Service Commission's Rules and Regulations for the Government of Water Utilities.

It is further understood that, if not for this waiver and release, the District would not properly be able to supply water to the customer pursuant to Rules 5.8 of the Public Service Commission's Rules and Regulations of the Government of Water Utilities.

IN WITNESS WHEREOF, we have executed this agreement this ____ day of _____, 20_____.
